

File Name	Description	Time
NSL012 001 Floppy drive stepper motor movement short - arduino - css-5 01.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:02.854
NSL012 002 Floppy drive stepper motor movement short - arduino - css-5 02.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:03.435
NSL012 003 Floppy drive stepper motor movement short - arduino - css-5 03.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:05.981
NSL012 004 Floppy drive stepper motor movement short - arduino - css-5 04.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:03.367
NSL012 005 Floppy drive stepper motor movement short - arduino - css-5 05.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:04.180
NSL012 006 Floppy drive stepper motor movement short - arduino - css-5 06.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:01.138
NSL012 007 Floppy drive stepper motor movement short - arduino - css-5 07.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:03.687
NSL012 008 Floppy drive stepper motor movement short - arduino - css-5 08.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:04.413
NSL012 009 Floppy drive stepper motor movement short - arduino - css-5 09.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:04.800
NSL012 010 Floppy drive stepper motor movement short - arduino - css-5 10.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:04.165
NSL012 011 Floppy drive stepper motor movement short - arduino - css-5 11.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:04.119
NSL012 012 Floppy drive stepper motor movement short - arduino - css-5 12.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:02.217
NSL012 013 Floppy drive stepper motor movement short - arduino - css-5 13.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:03.915
NSL012 014 Floppy drive stepper motor movement short - arduino - css-5 14.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:04.535
NSL012 015 Floppy drive stepper motor movement short - arduino - css-5 15.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:05.523
NSL012 016 Floppy drive stepper motor movement short - arduino - css-5 16.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:06.904
NSL012 017 Floppy drive stepper motor movement short - arduino - css-5 17.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:03.034
NSL012 018 Floppy drive stepper motor movement fast speed - arduino - css-5 01.wav	Fast stepper motor movements - controlled with midi keyboard via arduino	00:11.802
NSL012 019 Floppy drive stepper motor movement fast speed - arduino - css-5 02.wav	Fast stepper motor movements - controlled with midi keyboard via arduino	00:03.719
NSL012 020 Floppy drive stepper motor movement fast speed - arduino - css-5 03.wav	Fast stepper motor movements - controlled with midi keyboard via arduino	00:09.536
NSL012 021 Floppy drive stepper motor movement fast speed - arduino - css-5 04.wav	Fast stepper motor movements - controlled with midi keyboard via arduino	00:06.752
NSL012 022 Floppy drive stepper motor movement fast speed - arduino - css-5 05.wav	Fast stepper motor movements - controlled with midi keyboard via arduino	00:11.477
NSL012 023 Floppy drive stepper motor movement fast speed - arduino - css-5 06.wav	Fast stepper motor movements - controlled with midi keyboard via arduino	00:08.438
NSL012 024 Floppy drive stepper motor movement fast speed - arduino - css-5 07.wav	Fast stepper motor movements - controlled with midi keyboard via arduino	00:08.106
NSL012 025 Floppy drive stepper motor movement slow speed - arduino - css-5 01.wav	Slow stepper motor movements - controlled with midi keyboard via arduino	00:07.184
NSL012 026 Floppy drive stepper motor movement slow speed - arduino - css-5 02.wav	Slow stepper motor movements - controlled with midi keyboard via arduino	00:06.283
NSL012 027 Floppy drive stepper motor movement slow speed - arduino - css-5 03.wav	Slow stepper motor movements - controlled with midi keyboard via arduino	00:11.858
NSL012 028 Floppy drive stepper motor movement slow speed - arduino - css-5 04.wav	Slow stepper motor movements - controlled with midi keyboard via arduino	00:08.470
NSL012 029 Floppy drive stepper motor movement slow speed - arduino - css-5 05.wav	Slow stepper motor movements - controlled with midi keyboard via arduino	00:06.463
NSL012 030 Floppy drive stepper motor movement slow speed - arduino - css-5 06.wav	Slow stepper motor movements - controlled with midi keyboard via arduino	00:05.240
NSL012 031 Floppy drive stepper motor movement slow grind - arduino - css-5 01.wav	Slow, grinding stepper motor movements - controlled with midi keyboard via arduino	00:06.591
NSL012 032 Floppy drive stepper motor movement slow grind - arduino - css-5 02.wav	Slow, grinding stepper motor movements - controlled with midi keyboard via arduino	00:02.664
NSL012 033 Floppy drive stepper motor movement slow grind - arduino - css-5 03.wav	Slow, grinding stepper motor movements - controlled with midi keyboard via arduino	00:03.618
NSL012 034 Floppy drive stepper motor movement slow grind - arduino - css-5 04.wav	Slow, grinding stepper motor movements - controlled with midi keyboard via arduino	00:03.581
NSL012 035 Floppy drive stepper motor movement slow grind - arduino - css-5 05.wav	Slow, grinding stepper motor movements - controlled with midi keyboard via arduino	00:04.157
NSL012 036 Floppy drive stepper motor movement slow grind - arduino - css-5 06.wav	Slow, grinding stepper motor movements - controlled with midi keyboard via arduino	00:03.801
NSL012 037 Floppy drive stepper motor movement rattle - arduino - css-5 01.wav	Stepper motor overdriven, rattling components - controlled with midi keyboard via arduino	00:05.189
NSL012 038 Floppy drive stepper motor movement rattle - arduino - css-5 02.wav	Stepper motor overdriven, rattling components - controlled with midi keyboard via arduino	00:06.606
NSL012 039 Floppy drive verify disk utility - contact mic 01.wav	Running disk utility application on floppy disk - reading/writing sounds	00:26.226
NSL012 040 Floppy drive idle spinning - contact mic stereo 01.wav	Floppy drive motor spinning idle with disk inserted	01:02.008
NSL012 041 Floppy drive bleeps short - arduino - rf coil 01.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:04.363
NSL012 042 Floppy drive bleeps short - arduino - rf coil 02.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:07.941
NSL012 043 Floppy drive bleeps short - arduino - rf coil 03.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:03.071
NSL012 044 Floppy drive bleeps short - arduino - rf coil 04.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:04.972
NSL012 045 Floppy drive bleeps short - arduino - rf coil 05.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:03.383
NSL012 046 Floppy drive bleeps short - arduino - rf coil 06.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:04.555
NSL012 047 Floppy drive bleeps short - arduino - rf coil 07.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:03.241
NSL012 048 Floppy drive bleeps short - arduino - rf coil 08.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:05.386
NSL012 049 Floppy drive bleeps short - arduino - rf coil 09.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:02.579
NSL012 050 Floppy drive bleeps short - arduino - rf coil 10.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:02.705
NSL012 051 Floppy drive bleeps short - arduino - rf coil 11.wav	Short stepper motor movements - controlled with midi keyboard via arduino	00:07.650
NSL012 052 Floppy drive bleeps long - arduino - rf coil 01.wav	Long stepper motor movements - controlled with midi keyboard via arduino	00:03.477
NSL012 053 Floppy drive bleeps long - arduino - rf coil 02.wav	Long stepper motor movements - controlled with midi keyboard via arduino	00:03.649
NSL012 054 Floppy drive bleeps long - arduino - rf coil 03.wav	Long stepper motor movements - controlled with midi keyboard via arduino	00:11.155
NSL012 055 Floppy drive bleeps long - arduino - rf coil 04.wav	Long stepper motor movements - controlled with midi keyboard via arduino	00:21.913
NSL012 056 Floppy drive bleeps long - arduino - rf coil 05.wav	Long stepper motor movements - controlled with midi keyboard via arduino	00:09.744
NSL012 057 Floppy drive bleeps long - arduino - rf coil 06.wav	Long stepper motor movements - controlled with midi keyboard via arduino	00:12.701
NSL012 058 Floppy drive bleeps long - arduino - rf coil 07.wav	Long stepper motor movements - controlled with midi keyboard via arduino	00:09.733
NSL012 059 Floppy drive bleeps long - arduino - rf coil 09.wav	Long stepper motor movements - controlled with midi keyboard via arduino	00:16.171
NSL012 060 Floppy drive verify disk utility - rf coil 01.wav	Running disk utility application on floppy disk - reading/writing sounds	00:14.468
NSL012 061 Floppy disk writing data - rf coil 01.wav	Floppy disk top housing removed to expose magnetic disk - pressure applied to spinning disk	00:37.881
NSL012 062 Floppy disk writing data - rf coil 02.wav	Floppy disk top housing removed to expose magnetic disk - pressure applied to spinning disk	00:15.861
NSL012 063 Floppy drive idle spinning - rf coil 01.wav	Floppy drive motor spinning idle with disk inserted	02:34.951
NSL012 064 Floppy drive idle spinning - rf coil stereo 01.wav	Floppy drive motor spinning idle with disk inserted	02:02.794
NSL012 065 Floppy disk destruction - rf coil 01.wav	Floppy disk top housing removed to expose magnetic disk - pressure applied to spinning disk	00:04.692
NSL012 066 Floppy disk destruction - rf coil 02.wav	Floppy disk top housing removed to expose magnetic disk - pressure applied to spinning disk	00:09.423
NSL012 067 Floppy disk destruction - rf coil 03.wav	Floppy disk top housing removed to expose magnetic disk - pressure applied to spinning disk	00:06.458
NSL012 068 Floppy disk destruction - rf coil 04.wav	Floppy disk top housing removed to expose magnetic disk - pressure applied to spinning disk	00:14.317
NSL012 069 Floppy disk destruction - rf coil 05.wav	Floppy disk top housing removed to expose magnetic disk - pressure applied to spinning disk	00:33.149
NSL012 070 Floppy disk destruction - rf coil 06.wav	Floppy disk top housing removed to expose magnetic disk - pressure applied to spinning disk	00:44.290
NSL012 071 Superdisk drive formatting disk - rf coil 01.wav	Formatting new superdisk	00:13.427
NSL012 072 Superdisk drive writing data - rf coil 01.wav	Writing data to disk	00:06.000
NSL012 073 Superdisk drive writing data - rf coil 02.wav	Writing data to disk	00:06.556
NSL012 074 Superdisk drive writing data - rf coil 03.wav	Writing data to disk	00:05.698
NSL012 075 Superdisk drive idle - rf coil 01.wav	Superdisk drive motor spinning idle with disk inserted	00:12.772
NSL012 076 Superdisk drive idle - rf coil 02.wav	Superdisk drive motor spinning idle with disk inserted	00:05.244
NSL012 077 Superdisk drive eject - rf coil 01.wav	Ejecting disk	00:03.256
NSL012 078 Superdisk drive stepper motor movement - rf coil 01.wav	Read / write head movement, reading disk	00:01.218
NSL012 079 Superdisk drive stepper motor movement - rf coil 02.wav	Read / write head movement, reading disk	00:05.047
NSL012 080 Superdisk drive stepper motor movement - rf coil 03.wav	Read / write head movement, reading disk	00:05.703
NSL012 081 Superdisk drive stepper motor movement - rf coil 04.wav	Read / write head movement, reading disk	00:01.184
NSL012 082 Superdisk drive stepper motor movement - rf coil 05.wav	Read / write head movement, reading disk	00:07.022
NSL012 083 Superdisk drive stepper motor movement - rf coil 06.wav	Read / write head movement, reading disk	00:01.854
NSL012 084 Zip drive servo - css-5 01.wav	Ejecting disk, drive eject motor movements	00:01.630
NSL012 085 Zip drive servo - css-5 02.wav	Ejecting disk, drive eject motor movements	00:03.555
NSL012 086 Zip drive servo - css-5 03.wav	Ejecting disk, drive eject motor movements	00:03.586
NSL012 087 Zip drive servo - css-5 04.wav	Ejecting disk, drive eject motor movements	00:06.829
NSL012 088 Zip drive servo - css-5 05.wav	Ejecting disk, drive eject motor movements	00:02.112
NSL012 089 Zip drive servo - css-5 06.wav	Ejecting disk, drive eject motor movements	00:07.399
NSL012 090 Zip drive servo - css-5 07.wav	Ejecting disk, drive eject motor movements	00:08.147
NSL012 091 Zip drive servo manipulation - css-5 01.wav	Drive eject motor manipulation	00:01.813
NSL012 092 Zip drive start up - css-5 01.wav	Drive powering on	00:11.114
NSL012 093 Zip drive idle - contact mic stereo 01.wav	Zip drive motor spinning idle with disk inserted	00:30.029
NSL012 094 Zip drive stepper motor movement - contact mic 01.wav	Read / write head movement, reading disk	00:13.760
NSL012 095 Zip disk destruction - css-5 01.wav	Zip disk top housing removed to expose magnetic disk - various amounts of pressure applied to spinning disk	00:09.776
NSL012 096 Zip drive motor manipulation - css-5 01.wav	Drive motor manipulation with found objects	00:03.122
NSL012 097 Zip drive motor manipulation - css-5 02.wav	Drive motor manipulation with found objects	00:02.757
NSL012 098 Zip drive motor manipulation - css-5 03.wav	Drive motor manipulation with found objects	00:11.575
NSL012 099 Zip drive motor manipulation - css-5 04.wav	Drive motor manipulation with found objects	00:05.936
NSL012 100 Zip drive motor manipulation - css-5 05.wav	Drive motor manipulation with found objects	00:10.736
NSL012 101 Zip drive motor manipulation - css-5 06.wav	Drive motor manipulation with found objects	00:14.302
NSL012 102 Zip drive motor manipulation - css-5 07.wav	Drive motor manipulation with found objects	00:06.620
NSL012 103 Zip drive motor manipulation - css-5 08.wav	Drive motor manipulation with found objects	00:07.373
NSL012 104 Zip drive motor scrapes metal - css-5 01.wav	Metal plate scraping on the drive motor	00:01.745
NSL012 105 Zip drive motor scrapes metal - css-5 02.wav	Metal plate scraping on the drive motor	00:06.004
NSL012 106 Zip drive motor scrapes metal - css-5 03.wav	Metal plate scraping on the drive motor	00:09.587
NSL012 107 Zip drive motor grinding metal - css-5 01.wav	Motor manipulations, spin up and down	00:03.733
NSL012 108 Zip drive motor grinding metal - css-5 02.wav	Metal plate grinding on the drive motor	00:03.930
NSL012 109 Zip drive motor grinding metal - css-5 03.wav	Metal plate grinding on the drive motor	00:03.991
NSL012 110 Zip drive motor grinding metal - css-5 04.wav	Metal plate grinding on the drive motor	00:02.866
NSL012 111 Zip drive motor grinding metal - css-5 05.wav	Metal plate grinding on the drive motor	00:03.652
NSL012 112 Zip drive motor grinding metal - css-5 06.wav	Metal plate grinding on the drive motor	00:07.337
NSL012 113 Zip drive motor grinding metal - css-5 07.wav	Metal plate grinding on the drive motor	00:04.562
NSL012 114 Zip drive motor grinding metal - css-5 08.wav	Metal plate grinding on the drive motor	00:06.205
NSL012 115 Zip drive motor grinding plastic - css-5 01.wav	Plastic grinding on the drive motor	00:01.989
NSL012 116 Zip drive motor grinding plastic - css-5 02.wav	Plastic grinding on the drive motor	00:04.509
NSL012 117 Zip drive motor grinding plastic - css-5 03.wav	Plastic grinding on the drive motor	00:06.450
NSL012 118 Zip drive motor grinding plastic - css-5 04.wav	Plastic grinding on the drive motor	00:02.423
NSL012 119 Zip drive motor grinding plastic - css-5 05.wav	Plastic grinding on the drive motor	00:06.930
NSL012 120 Zip drive motor grinding plastic - css-5 06.wav	Plastic grinding on the drive motor	00:11.251
NSL012 121 Zip drive motor grinding plastic - css-5 07.wav	Plastic grinding on the drive motor	00:08.159
NSL012 122 Zip drive clicks - rf coil 01.wav	Drive powering on with all internal cables disconnected	00:07.886
NSL012 123 Zip drive loading disk - rf coil 01.wav	Loading disk into zip drive	00:03.008
NSL012 124 Zip drive idle - rf coil stereo 01.wav	Zip drive motor spinning idle with disk inserted	00:32.937
NSL012 125 Zip drive initialize sequence - rf coil 01.wav	Zip disk initialization sequence	00:06.660
NSL012 126 Zip drive initialize sequence - rf coil 02.wav	Zip disk initialization sequence	00:11.381
NSL012 127 Zip drive stepper motor movement - rf coil 01.wav	Read / write head movement, reading disk	00:24.804
NSL012 128 Zip drive stepper motor movement - rf coil 02.wav	Read / write head movement, reading disk	00:36.507
NSL012 129 Zip drive stepper motor movement - rf coil 03.wav	Read / write head movement, reading disk	00:32.967
NSL012 130 Zip drive motor spins - rf coil 01.wav	Motor spinning up and down	00:05.887
NSL012 131 Zip drive motor spins - rf coil 02.wav	Motor spinning up and down	00:08.116
NSL012 132 Zip drive motor spins - rf coil 03.wav	Motor spinning up and down	00:16.350
NSL012 133 Zip drive motor spins - rf coil 04.wav	Motor spinning up and down	00:07.473
NSL012 134 Zip drive motor spins - rf coil 05.wav	Motor spinning up and down	00:09.639
NSL012 135 Zip drive motor spins - rf coil 06.wav	Motor spinning up and down	00:06.501
NSL012 136 Zip drive motor spins - rf coil 07.wav	Motor spinning up and down	00:28.471
NSL012 137 Zip drive motor spins - rf coil 08.wav	Motor spinning up and down	00:03.122
NSL012 138 Zip drive motor spins - rf coil stereo 01.wav	Drive motor manipulation - spinning up and down	00:05.478
NSL012 139 Zip drive motor spins - rf coil stereo 02.wav	Drive motor manipulation - spinning up and down	00:30.864
NSL012 140 Zip drive motor spins - rf coil stereo 03.wav	Drive motor manipulation - spinning up and down	00:08.310
NSL012 141 Zip drive motor spins - rf coil stereo 04.wav	Drive motor manipulation - spinning up and down	00:09.181
NSL012 142 Zip drive motor spins - rf coil stereo 05.wav	Drive motor manipulation - spinning up and down	00:29.077
