

## 3Dimensional Printing by Unidentified Sound Object

Filename	Description
3Dimensional_Printing_Sharebot-NG_JrF_C-SERIES_servos_01.wav	3D printer start calibration servo stepper motor mechanism slow movement robot droid machine noise contact microphone
3Dimensional_Printing_Sharebot-NG_JrF_C-SERIES_servos_02.wav	3D printer calibration servo stepper motor mechanism slow movement robot droid machine hum beeps contact microphone
3Dimensional_Printing_Sharebot-NG_JrF_C-SERIES_servos_03.wav	3D printer run sequence servo stepper motor mechanism movement robot droid machine hum repeating actions contact microphone
3Dimensional_Printing_Sharebot-NG_JrF_C-SERIES_servos_04.wav	3D printer sequence medium speed servo stepper motor mechanism movement machine hum back forth chirpy buzz contact microphone
3Dimensional_Printing_Sharebot-NG_JrF_C-SERIES_servos_05.wav	3D printer sequence fast speed servo stepper motor mechanism movement machine hum back forth chirpy buzz contact microphone
3Dimensional_Printing_Sharebot-NG_JrF_C-SERIES_servos_06.wav	3D printer sequence fast speed servo stepper motor mechanism movement machine hum back forth chirpy buzz contact microphone
3Dimensional_Printing_Sharebot-NG_JrF_C-SERIES_servos_07.wav	3D printer sequence fast speed servo stepper motor mechanism movement machine hum back forth chirpy buzz contact microphone
3Dimensional_Printing_Sharebot-NG_JrF_C-SERIES_servos_08.wav	3D printer sequence fast speed servo stepper motor mechanism movement machine hum back forth chirpy buzz contact microphone
3Dimensional_Printing_DeltaWASP_Barcus-Berry-4000_servos_01.wav	3D printer sequence medium speed stepper motor mechanism movement machine back forth rhythmic pattern portamento contact microphone
3Dimensional_Printing_DeltaWASP_Barcus-Berry-4000_servos_02.wav	3D printer sequence fast speed stepper motor mechanism movement machine repeating actions high frequency pitch chaotic contact microphone
3Dimensional_Printing_DeltaWASP_Barcus-Berry-4000_servos_03.wav	3D printer sequence fast speed stepper motor mechanism movement machine repeating actions high frequency pitch chaotic contact microphone
3Dimensional_Printing_DeltaWASP_Barcus-Berry-4000_servos_04.wav	3D printer sequence fast speed stepper motor mechanism movement machine repeating actions high frequency pitch chaotic contact microphone
3Dimensional_Printing_DeltaWASP_Barcus-Berry-4000_servos_05.wav	3D printer medium speed stepper motor mechanism movement back forth rhythmic pattern robot droid machine noise contact microphone
3Dimensional_Printing_DeltaWASP_Barcus-Berry-4000_servos_06.wav	3D printer sequence fast speed stepper motor mechanism movement machine repeating actions high frequency pitch chaotic contact microphone
3Dimensional_Printing_DeltaWASP_Barcus-Berry-4000_servos_07.wav	3D printer medium speed motor mechanism movement machine back forth rhythmic pattern robot droid percussive gritty noise contact microphone
3Dimensional_Printing_DeltaWASP_Barcus-Berry-4000_servos_08.wav	3D printer sequence fast speed stepper motor mechanism movement machine repeating actions high frequency pitch chaotic contact microphone
3Dimensional_Printing_Sharebot-NG_Piezo-Film-Tab_01.wav	3D printer start servo stepper motor mechanism extruder slow movement robot droid machine noise drone hum beeps clicks contact microphone
3Dimensional_Printing_Sharebot-NG_Piezo-Film-Tab_02.wav	3D printer start servo stepper motor mechanism extruder slow movement robot droid machine noise drone hum beeps clicks contact microphone
3Dimensional_Printing_Sharebot-NG_Piezo-Film-Tab_03.wav	3D printer start servo stepper motor mechanism extruder slow movement robot droid machine noise drone hum buzz clicks contact microphone
3Dimensional_Printing_Sharebot-NG_Piezo-Film-Tab_Back.wav	3D printer sequence fast speed servo stepper motor mechanism movement machine hum back forth noise whine choppy contact microphone
3Dimensional_Printing_Sharebot-NG_Piezo-Film-Tab_Corner_01.wav	3D printer motor mechanism movement machine rhythmic high frequency pitch pattern robot droid drone hum whine noise contact microphone

3Dimensional_Printing_Sharebot-NG_Piezo-Film-Tab_Corner_02.wav	3D printer motor mechanism movement machine rhythmic high frequency pitch pattern robot droid drone hum whine noise contact microphone
3Dimensional_Printing_Sharebot-NG_Piezo-Film-Tab_Motor.wav	3D printer sequence fast speed motor mechanism movement loop machine drone continuous hum shifting hypnotic chaotic contact microphone
3Dimensional_Printing_Sharebot-NG_Piezo-Film-Tab_OnOff.wav	3D printer start run stop calibration servo motor mechanism movement robot droid machine noise beeps clicks percussive contact microphone
3Dimensional_Printing_DeltaWasp_Induction-Coil-Pickup_01.wav	3D printer electromagnetic servo motor fast speed movement mechanism whirring noise interference hissy harsh noise induction coil pick-up
3Dimensional_Printing_DeltaWasp_Induction-Coil-Pickup_02.wav	3D printer electromagnetic drone buzz low ominous deep vibrating hum rapid pulse rhythmic hypnotic machine loop ominous induction coil pick-up
3Dimensional_Printing_DeltaWasp_Induction-Coil-Pickup_03.wav	3D printer electromagnetic drone buzz vibrating hum rapid pulse rhythmic hypnotic machine loop harsh noise chirpy induction coil pick-up
3Dimensional_Printing_DeltaWasp_Induction-Coil-Pickup_04.wav	3D printer electromagnetic servo motor movement whirring noise signal tone harsh noise irregular glitch interference induction coil pick-up
3Dimensional_Printing_DeltaWasp_Induction-Coil-Pickup_05.wav	3D printer electromagnetic servo motor movement whirring noise signal tone harsh noise beeps alarm alert pulses induction coil pick-up
3Dimensional_Printing_DeltaWasp_Induction-Coil-Pickup_06.wav	3D printer electromagnetic servo motor fast speed movement mechanism whirring noise interference hissy harsh noise induction coil pick-up
3Dimensional_Printing_DeltaWasp_Induction-Coil-Pickup_07.wav	3D printer electromagnetic servo motor fast speed movement mechanism whirring noise interference hissy harsh noise induction coil pick-up
3Dimensional_Printing_DeltaWasp_Induction-Coil-Pickup_08.wav	3D printer electromagnetic servo motor movement whirring noise signal tone harsh noise beeps alarm alert pulses induction coil pick-up
3Dimensional_Printing_DeltaWasp_Induction-Coil-Pickup_09.wav	3D printer electromagnetic servo motor movement whirring noise signal tone harsh noise beeps alarm alert pulses induction coil pick-up
3Dimensional_Printing_DeltaWasp_Induction-Coil-Pickup_10.wav	3D printer start calibration servo stepper motor mechanism movement robot droid machine noise whirring irregular harsh induction coil pick-up
3Dimensional_Printing_Sharebot-NG_Induction-Coil-Pickup_01.wav	3D printer electromagnetic servo motor fast speed movement sequence whirring noise hissy harsh noise irregular scramble induction coil pick-up
3Dimensional_Printing_Sharebot-NG_Induction-Coil-Pickup_02.wav	3D printer electromagnetic servo motor fast speed movement sequence whirring noise hissy harsh noise irregular scramble induction coil pick-up
3Dimensional_Printing_Sharebot-NG_Induction-Coil-Pickup_03.wav	3D printer electromagnetic servo movement clicks drone buzz sequence hum rapid pulse rhythmic machine harsh noise induction coil pick-up
3Dimensional_Printing_Sharebot-NG_Induction-Coil-Pickup_04.wav	3D printer electromagnetic servo motor movement drone whirring noise hissy harsh noise rhythmic machine accelerando induction coil pick-up
3Dimensional_Printing_Sharebot-NG_Induction-Coil-Pickup_05.wav	3D printer electromagnetic servo movement drone buzz sequence hum rapid pulse rhythmic machine harsh noise induction coil pick-up
3Dimensional_Printing_Sharebot-NG_Induction-Coil-Pickup_06.wav	3D printer electromagnetic rapid clicks impulses drone buzz sequence rhythmic percussive harsh noise interference induction coil pick-up
3Dimensional_Printing_Sharebot-NG_Induction-Coil-Pickup_07.wav	3D printer electromagnetic rapid clicks impulses drone buzz sequence rhythmic percussive harsh noise interference induction coil pick-up
3Dimensional_Printing_Sharebot-NG_Induction-Coil-Pickup_08.wav	3D printer electromagnetic servo drone buzz whine whirring rhythmic hum repeating actions harsh scramble noise induction coil pick-up
3Dimensional_Printing_Sharebot-NG_Induction-Coil-Pickup_09.wav	3D printer electromagnetic servo drone low buzz signal whine whirring hum harsh hissy scramble noise fluctuating induction coil pick-up
3Dimensional_Printing_DeltaWasp_fan_drone_H6_01.wav	3D printer printing rhythmic repeating actions noise running mechanism stepper motor fan interior working ambience industry factory machine
3Dimensional_Printing_DeltaWasp_fan_drone_H6_02.wav	3D printer printing rhythmic repeating actions noise running mechanism stepper motor fan interior working ambience industry factory machine
3Dimensional_Printing_DeltaWasp_fan_drone_H6_03.wav	3D printer printing rhythmic repeating actions noise running mechanism stepper motor fan interior working ambience industry factory machine

3Dimensional_Printing_DeltaWasp_fan_drone_H6_04.wav	3D printer printing rhythmic repeating actions noise running mechanism stepper motor fan interior working ambience industry factory machine
3Dimensional_Printing_Sharebot-NG_fan_drone_H6_01.wav	3D printer printing noise fan interior working ambience industry factory machine room tone ventilation humming large background atmosphere
3Dimensional_Printing_Sharebot-NG_fan_drone_H6_02.wav	3D printer printing noise fan interior working ambience industry factory machine room tone ventilation humming large background atmosphere
3Dimensional_Printing_Sharebot-NG_fan_drone_H6_03.wav	3D printer printing noise fan interior working ambience industry factory machine room tone ventilation humming background close perspective
3Dimensional_Printing_Sharebot-NG_randomWalk_H6_01.wav	3D printer servo motor whirring noise fan interior ambience industry factory machine room tone background fluctuating shifting perspective
3Dimensional_Printing_Sharebot-NG_randomWalk_H6_02.wav	3D printer servo stepper motor whirring noise mechanism interior ambience beeps machine fan background fluctuating shifting perspective
3Dimensional_Printing_Sharebot-NG_servos_H6_01.wav	3D printer motor mechanism servos lab movement machine running sequence rhythmic fan interior ambience industry factory hum whine noise
3Dimensional_Printing_Sharebot-NG_servos_H6_02.wav	3D printer motor mechanism servos lab movement machine running sequence rhythmic fan interior ambience industry factory hum whine noise
