TrackTitle	Duration
Hitting ceramic mug debris pieces fast	00:01.560
Hitting ceramic mug debris pieces fast and complex	00:01.784
Hitting ceramic mug debris pieces with a rattle	00:01.257
Hitting ceramic mug debris pieces with a slow rattle, 1	00:01.876
Hitting ceramic mug debris pieces with a slow rattle, 2	00:01.483
Hitting ceramic mug debris pieces trimly	00:02.380
Hitting ceramic mug debris pieces in two stages	00:01.705
Hitting ceramic mug debris pieces with a wobble	00:01.295
Mallet hitting a ceramic mug with a piece breaking with a dull sound in the distance	00:01.840
Mallet hitting a ceramic mug with a piece breaking with a dull sound, Neumann	00:01.840
Mallet hitting a ceramic mug with a piece breaking with a dull sound	00:01.840
Mallet hitting a ceramic mug with a piece breaking with a dull sound, processed	00:01.840
Mallet hitting a ceramic mug with a piece breaking with a dull weak sound in the distance	00:01.365
Mallet hitting a ceramic mug with a piece breaking with a dull weak sound, Neumann	00:01.365
Mallet hitting a ceramic mug with a piece breaking with a dull weak sound	00:01.365
Mallet hitting a ceramic mug with a piece breaking with a dull weak sound, processed	00:01.365
Mallet hitting a ceramic mug with a piece breaking with a small sound in the distance	00:02.170
Mallet hitting a ceramic mug with a piece breaking with a small sound, Neumann	00:02.170
Mallet hitting a ceramic mug with a piece breaking with a small sound	00:02.170
Mallet hitting a ceramic mug with a piece breaking with a small sound, processed	00:02.170
Mallet hitting a ceramic mug with a piece breaking in a weak manner twice in the distance	00:01.776
Mallet hitting a ceramic mug with a piece breaking in a weak manner twice, Neumann	00:01.776
Mallet hitting a ceramic mug with a piece breaking in a weak manner	00:01.776
Aperitiff glass breaking into bits in the distance	00:01.869
Aperitiff glass breaking into bits, Neumann	00:02.869
Aperitiff glass breaking into bits	00:02.869
Aperitiff glass breaking into bits, processed	00:02.869
Aperitiff glass breaking hard and scattering in the distance	00:01.738
Aperitiff glass breaking hard and scattering, Neumann	00:01.738
Aperitiff glass breaking hard and scattering	00:01.738
Aperitiff glass breaking hard and scattering, processed	00:01.738
Aperitiff glass dropping on concrete and breaking into chips in the distance	00:02.197
Aperitiff glass dropping on concrete and breaking into chips	00:02.197
Aperitiff glass dropping on concrete and breaking into chips, processed	00:02.197
Aperitiff glass dropping on concrete and breaking hard in the distance	00:02.458
Aperitiff glass dropping on concrete and breaking hard	00:02.458
Aperitiff glass dropping on concrete and breaking hard, processed	00:02.458
Aperitiff glass dropping on concrete and breaking with a ring and some wood in the distance	00:02.437
Aperitiff glass dropping on concrete and breaking with a ring and some wood, Neumann	00:02.437
Aperitiff glass dropping on concrete and breaking with a ring and some wood	00:02.437
Aperitiff glass dropping on concrete and breaking with a ring and some wood, processed	00:01.472
Hitting ceramic mug and pint glass debris pieces, complex	00:03.018
Hitting ceramic mug and pint glass debris pieces, complex and hard	00:03.352
Hitting ceramic mug and pint glass debris pieces fast with a straggler	00:02.995
Hitting ceramic mug and pint glass debris pieces gradually	00:02.971
Hitting ceramic mug and pint glass debris pieces quickly	00:02.918
Hitting ceramic mug and pint glass debris pieces swiftly	00:02.917
Hitting ceramic mug and pint glass debris pieces, syncopated	00:02.528
Cinder block crushing glass debris steadily in the distance	00:10.474
Cinder block crushing glass debris steadily, Neumann	00:10.474
Cinder block crushing glass debris steadily	00:10.474
Cinder block crushing glass debris steadily and slowly in the distance	00:16.229
Cinder block crushing glass debris steadily and slowly, Neumann	00:16.229
Cinder block crushing glass debris steadily and slowly	00:16.229
Cinder block crushing glass debris roughly in the distance	00:05.095
Cinder block crushing glass debris roughly, Neumann	00:05.095
Cinder block crushing glass debris roughly	00:05.095
Aperitiff glasses crashing, abrupt and concise	00:02.283
Aperitiff glasses crashing, abrupt with debris	00:02.391
Aperitiff glasses crashing while decelerating	00:03.315
Aperitiff glasses crashing and dumping with debris in the distance, 1	00:02.318
Aperitiff glasses crashing and dumping with debris in the distance, 2	00:02.941
Aperitiff glasses crashing and dumping hard in the distance	00:02.833
Aperitiff glasses crashing and dumping hard and strong in the distance	00:02.747
Aperitiff glasses crashing and dumping sharply	00:02.639
Aperitiff glasses crashing and dumping, small, in the distance	00:03.080
Aperitiff glasses crashing with a trickle distinctly, in the distance	00:04.148
Aperitiff glasses crashing with a fast trickle in the distance	00:03.578
Aperitiff glasses crashing with a slow trickle in the distance	00:04.876
Aperitiff glasses crashing with a slow, decelerating trickle in the distance	00:04.072
Aperitiff glasses crashing with a staggered trickle in the distance	00:04.274
Aperitiff glasses crashing and dumping	00:03.670
Aperitiff glasses crashing and dumping brightly in two stages	00:03.879
Aperitiff glasses crashing medium slowly	00:03.917
Aperitiff glasses crashing with a patter	00:02.917
Aperitiff glasses crashing, rushed	00:02.682
Mixed glasses crashing and dumping quickly in the distance	00:04.059
Mixed glasses crashing and dumping hard in the distance	00:03.781
Mixed glasses crashing and dumping slow to thick in the distance	00:04.014
Mixed glasses crashing and dumping, staggered, in the distance	00:03.883
Mixed glasses crashing and dumping unevenly in the distance	00:04.482
Mixed glasses crashing with a stream to a rattle in the distance	00:07.264
Mixed glasses crashing with a slow and measured stream in the distance	00:04.697
Mixed glasses crashing with a stream and toppling, fast, in the distance	00:05.062
Mixed glasses crashing with a stream in two stages in the distance	00:05.729
Mixed glasses crashing, toppling, streaming, then rolling in the distance	00:07.302
Mixed glasses crashing, toppling, and streaming slowly then rolling in the distance	00:06.563
Mixed glasses crashing and trickling in the distance	00:04.704
Mixed glasses crashing and trickling hard and medium slowly in the distance	00:04.853
Mixed glasses crashing and trickling slowly in the distance	00:05.698
Mixed glasses crashing, trickling, and streaming slowly in the distance	00:04.556
Mixed glasses crashing distinctly, small	00:04.866
Mixed glasses crashing and dumping clumsily	00:04.441
Mixed glasses crashing and dumping with debris	00:03.151
Mixed glasses crashing and dumping brightly with debris	00:04.306
Mixed glasses crashing and dumping, small	00:03.320
Mixed glasses crashing and dumping in two stages, small 1	00:02.836
Mixed glasses crashing and dumping in two stages, small 2	00:03.364
Mixed glasses crashing and dumping slowly in two stages, small	00:02.701
Mixed glasses crashing and dumping slowly in two stages, slow	00:03.240
Mixed glasses crashing and dumping with a sparkle	00:04.033
Mixed glasses crashing and dumping, staggered	00:04.763
Mixed glasses crashing and dumping strongly	00:02.988
Mixed glasses crashing fast with a sparkle	00:04.840
Mixed glasses crashing hard, dumping to a trickle then rolling	00:05.079
Mixed glasses crashing hard and quickly	00:03.564
Mixed glasses crashing light to dumping 1	00:04.479
Mixed glasses crashing light to dumping 2	00:04.341
Mixed glasses crashing light to dumping, rapid with debris	00:03.317
Mixed glasses crashing lightly with debris	00:03.642
Mixed glasses crashing in a fast stream	00:04.478
Mixed glasses crashing suddenly	00:03.424
Mixed glasses crashing suddenly with a wobble	00:04.049
Mixed glasses crashing, toppling to dumping, then rolling	00:05.505
Mixed glasses crashing with a trickle to dumping and wobbling	00:04.918
Mixed glasses crashing with a trickle to a roll	00:06.304
Mixed glasses crashing with a trickle, light to dumping	00:05.159
Mixed glasses crashing with a light to heavy trickle	00:04.818
Mixed glasses crashing with a trickle, slowly to dumping	00:06.452
Mixed glasses crashing with a slow, long trickle 1	00:06.412
Mixed glasses crashing with a slow, long trickle 2	00:07.245
Mixed glasses crashing with a small to large trickle	00:05.363
Mixed glasses crashing brightly in two stages	00:03.580
Pint glasses crashing	00:03.690
Pint glasses crashing suddenly	00:05.892
Pint glasses crashing with a topple to a roll	00:04.919
Pint glasses crashing with a trickle to dumping and wobbling	00:05.091
Pint glasses crashing with a clumsy trickle	00:04.355
Pint glasses crashing with a trickle, fast to a crash	00:06.126
Pint glasses crashing with a trickle, tumbling, and rolling	00:04.084
Pint glasses crashing with an uneven trickle	00:07.673
Pint glasses crashing and dumping to trickle, big, in the distance	00:07.756
Pint glasses crashing and dumping, big with stragglers and rolling, in the distance	00:03.503
Pint glasses crashing and dumping hard in the distance	00:03.739
Pint glasses crashing and dumping slowly in the distance	00:03.118
Pint glasses crashing and dumping, small, in the distance	00:03.451
Pint glasses crashing and dumping suddenly in the distance	00:03.825
Pint glasses crashing and dumping unevenly in the distance	00:03.157
Pint glasses crashing fast in the distance	00:03.258
Pint glasses crashing with a hard hit in the distance	00:03.115
Pint glasses crashing sharply in the distance	00:06.108
Pint glasses crashing slow to fast in the distance	00:03.651
Pint glasses crashing, staggered, in the distance	00:05.237
Pint glasses crashing in a staggered stream in the distance	00:09.804
Pint glasses crashing with a slow and huge trickle in the distance	00:08.819
Pint glasses crashing with a slow trickle then rolling, in the distance	00:04.912
Pint glasses crashing in two stages in the distance	00:02.461
Wine glasses crashing	00:03.138
Wine glasses crashing abruptly	00:03.129
Wine glasses crashing and dumping, staggered, in the distance	00:04.465
Wine glasses crashing, staggered, in the distance	00:04.471
Wine glasses crashing, staggered	00:02.570
Wine glasses crashing, staggered and quick	00:02.019
Large plate glass crashing abruptly	00:01.883
Large plate glass crashing and dumping	00:01.979
Large plate glass crashing and dumping lightly	00:01.839
Large plate glass crashing and dumping thickly	00:02.208
Large plate glass crashing, hollow	00:02.266
Large plate glass crashing quickly	00:01.730
Large plate glass crashing rapidly	00:01.748
Large plate glass crashing simply, 1	00:01.634
Large plate glass crashing simply, 2	00:02.307
Large plate glass crashing simple and crispy	00:02.285
Large plate glass crashing swiftly	00:02.447
Large plate glass crashing thinly with debris	00:01.701
Large plate glass crashing thinly and rocking	00:02.102
Large plate glass crashing and toppling lightly	00:03.281
Medium plate glass crashing and dumping	00:02.102
Medium plate glass crashing and dumping lightly	00:02.891
Medium plate glass crashing and dumping, small	00:02.423
Medium plate glass crashing and dumping, small and hard	00:02.842
Medium plate glass crashing and dumping slowly, small in two stages	00:03.619
Medium plate glass crashing and dumping in two stages	00:03.120
Medium plate glass crashing, small with a trickle	00:03.283
Medium plate glass crashing in a stream	00:04.095
Medium plate glass crashing in a quick stream	00:03.621
Medium plate glass crashing in a small stream	00:03.374
Medium plate glass crashing with a topple to a crash	00:03.369
Medium plate glass crashing with a quick topple	00:03.083
Mixed plate glass crashing, big and concise	00:03.050
Mixed plate glass crashing, big and thin with debris	00:02.823
Mixed plate glass crashing concisely, staggered	00:02.911
Mixed plate glass crashing slowly with a topple	00:03.148
Mixed plate glass crashing hard to a topple	00:02.944
Mixed plate glass crashing hard with debris	00:02.858
Mixed plate glass crashing hard and sudden	00:02.855
Mixed plate glass crashing with a hit to a topple	00:02.807
Mixed plate glass crashing in a stream	00:03.687
Mixed plate glass crashing in a stream to a topple	00:03.373
Mixed plate glass crashing thickly to a topple	00:02.950
Mixed plate glass crashing thickly and finely to a topple	00:02.946
Mixed plate glass crashing thickly in two intense stages	00:03.165
Mixed plate glass crashing thinly with a rattle	00:02.778
Mixed plate glass crashing with a topple to a long stream	00:04.325
Mixed plate glass crashing with a trickle, fast and distinct	00:03.478
Mixed plate glass crashing with a quick trickle	00:03.417
Mixed plate glass crashing with a trickle and streaming	00:04.334
Mixed plate glass crashing in two stages, finely	00:03.112
Thick plate glass crashing and aborting	00:02.767
Thick plate glass crashing abruptly and concisely in the distance	00:03.084
Thick plate glass crashing abruptly and sloppily in the distance	00:02.147
Thick plate glass crashing firmly in the distance	00:01.901
Thick plate glass crashing hard to a topple in the distance	00:03.285
Thick plate glass crashing small to medium, in the distance	00:03.141
Thick plate glass crashing with a topple in the distance	00:03.103
Thick plate glass crashing with a clumsy topple in the distance	00:03.021
Thick plate glass crashing with a complex topple in the distance	00:03.024
Thick plate glass crashing with a thick topple in the distance	00:03.200
Thick plate glass crashing in two stages, in the distance	00:03.233
Thick plate glass crashing in two rattling stages in the distance	00:02.808
Thick plate glass crashing with a topple, bright	00:02.339
Thick plate glass crashing with a topple, light	00:03.024
Thick plate glass crashing with a topple, quick	00:02.186
Glass debris compressing, constant and with a complex crunch in the distance	00:11.061
Glass debris compressing, constant and with a complex crunch, Neumann	00:11.061
Glass debris compressing, constant and with a complex crunch	00:11.061
Glass debris compressing, constant and heavily and violently in the distance	00:18.026
Glass debris compressing, constant and heavily and violently, Neumann	00:18.026
Glass debris compressing, constant and heavily and violently	00:18.026
Glass debris compressing, constant and slowly with a crack and a crunch 1 in the distance	00:13.333
Glass debris compressing, constant and slowly with a crack and a crunch 1, Neumann	00:13.333
Glass debris compressing, constant and slowly with a crack and a crunch 1	00:13.383
Glass debris compressing, constant and slowly with a crack and a crunch 2 in the distance	00:08.458
Glass debris compressing, constant and slowly with a crack and a crunch 2, Neumann	00:08.458
Glass debris compressing, constant and slowly with a crack and a crunch 2	00:08.458
Glass debris compressing, constant and slowly with a crunch in the distance	00:15.610
Glass debris compressing, constant and slowly with a crunch, Neumann	00:15.610
Glass debris compressing, constant and slowly with a crunch	00:15.610
Glass debris compressing, slowly with careful steps in the distance	00:03.829
Glass debris compressing, slowly with careful steps, Neumann	00:03.829
Glass debris compressing, slowly with careful steps	00:03.829
Glass debris compressing, slowly with a heavy break, Neumann	00:04.618
Glass debris compressing, slowly with a heavy break	00:04.917
Glass debris compressing, slowly and heavily and crunchy in the distance	00:04.987
Glass debris compressing, slowly and heavily and crunchy, Neumann	00:04.997
Glass debris compressing, slowly and heavily and crunchy	00:04.997
Glass debris compressing, x2 with a hard crack and crunch in the distance	00:03.402
Glass debris compressing, x2 with a hard crack and crunch, Neumann	00:03.402
Glass debris compressing, x2 with a hard crack and crunch	00:03.402
Glass debris compressing, x2 with a crack and crunch in the distance	00:03.423
Glass debris compressing, x2 with a crack and crunch, Neumann	00:03.423
Glass debris compressing, x2 with a crack and crunch	00:03.423
Glass debris compressing, and pushing firmly in the distance	00:03.690
Glass debris compressing, and pushing firmly, Neumann	00:03.690
Glass debris compressing, and pushing firmly	00:03.690
Footsteps on glass debris stepping slowly with a heavy break in the distance	00:04.618
Cinder block picking up from glass debris and lifting, Neumann	00:01.157
Cinder block picking up from glass debris and lifting	00:01.157
Cinder block picking up from glass debris in the distance	00:01.768
Cinder block picking up from glass debris, Neumann	00:01.768
Cinder block picking up from glass debris	00:01.146
Glass debris dropping hard and short in the distance	00:01.146
Glass debris dropping hard and short, Neumann	00:01.146
Glass debris dropping hard and short	00:01.146
Glass debris dropping in the distance	00:01.647
Glass debris dropping, Neumann	00:01.647
Glass debris dropping	00:01.647
Glass debris fine shards dropping	00:01.130
Glass debris shards dropping	00:01.135
Glass debris dropping with small shards	00:01.338
Glass debris dropping with shards twice	00:01.797
Glass debris dropping with a sparkling sound in the distance	00:03.114
Glass debris dropping with a sparkling sound, Neumann	00:03.114
Glass debris dropping with a sparkling sound	00:02.420
Glass debris dropping with tiny debris in the distance	00:02.420
Glass debris dropping with tiny debris, Neumann	00:02.420
Glass debris dropping with tiny debris	00:02.420
Glass debris dropping with tiny debris twice, Neumann	00:01.536
Glass debris dropping with tiny debris twice	00:01.536
Glass debris dropping, tiny and abrupt in the distance	00:01.226
Glass debris dropping, tiny and abrupt, Neumann	00:01.226
Glass debris dropping, tiny and abrupt	00:01.226
Glass debris dropping in a fine trickle to dump in the distance	00:05.503
Glass debris dropping in a fine trickle to dump, Neumann	00:05.503
Glass debris dropping in a fine trickle to dump	00:05.503
Glass debris dropping in a hard slow trickle	00:05.871
Glass debris dropping in a long lumpy trickle in the distance	00:10.026
Glass debris dropping in a long lumpy trickle, Neumann	00:10.026
Glass debris dropping in a long lumpy trickle	00:10.026
Glass debris dropping in a trickle in the distance	00:03.616
Glass debris dropping in a medium fine trickle	00:05.397
Glass debris dropping in a musical trickle in the distance	00:05.285
Glass debris dropping in a musical trickle	00:05.285
Glass debris dropping in a trickle, Neumann	00:03.616
Glass debris dropping in a trickle	00:07.482
Glass debris dropping in a sporadic thick trickle in the distance	00:07.482
Glass debris dropping in a sporadic thick trickle, Neumann	00:07.482
Glass debris dropping in a sporadic thick trickle	00:04.794
Glass debris dropping in a thick trickle in the distance	00:04.794
Glass debris dropping in a thick trickle, Neumann	00:04.794
Glass debris dropping in a thick trickle	00:01.162
Glass debris moves shifting abruptly in the distance	00:01.162
Glass debris moves shifting abruptly, Neumann	00:01.162
Glass debris moves shifting abruptly	00:01.162
Glass debris shifting and moving and gathering 1	00:06.208
Glass debris shifting and moving and gathering 2	00:04.985
Glass debris shifting and moving and gathering calmly	00:04.325
Glass debris shifting and moving and gathering and sweeping	00:02.282
Glass debris shifting and moving and gathering thickly	00:06.917
Glass debris shifting and moving and gathering tiredly	00:04.863
Glass debris shifting and moving shards lumpy in the distance	00:06.032
Glass debris shifting and moving shardsLumpy	00:04.405
Glass debris shifting and moving shards	00:04.405
Hitting pint glass pieces hard with a rattle, 1	00:03.056
Hitting pint glass pieces hard with a rattle, 2	00:02.933
Hitting pint glass pieces hard with a rattle, 3	00:02.916
Hitting pint glass pieces in two stages, 1	00:02.801
Hitting pint glass pieces in two stages, 2	00:03.124
Glass pint glass breaking with debris 1 in the distance	00:02.351
Glass pint glass breaking with debris 1, Neumann	00:02.351
Glass pint glass breaking with debris 1	00:02.351
Glass pint glass breaking with debris 1, processed	00:02.351
Glass pint glass breaking with debris 2 in the distance	00:03.669
Glass pint glass breaking with debris 2, Neumann	00:03.669
Glass pint glass breaking with debris 2	00:03.669
Glass pint glass breaking with debris 2, processed	00:03.669
Glass pint glass breaking with debris hard in the distance	00:05.589
Glass pint glass breaking with debris hard, Neumann	00:05.589
Glass pint glass breaking with debris hard	00:05.589
Glass pint glass breaking with debris hard, processed	00:05.589
Glass pint breaking with debris in the distance	00:05.226
Glass pint breaking with debris, Neumann	00:05.226
Glass pint breaking with debris	00:05.226
Mallet hitting a pint glass and breaking it and smashing and debris fumbling in the distance	00:02.858
Mallet hitting a pint glass and breaking it and smashing and debris fumbling, Neumann	00:02.858
Mallet hitting a pint glass and breaking it and smashing and debris fumbling	00:02.858
Mallet hitting a pint glass and breaking it and smashing and debris in the distance	00:02.442
Mallet hitting a pint glass and breaking it with a smash with debris and multiple hits in the distance	00:03.253
Mallet hitting a pint glass and breaking it with a smash with debris and multiple hits, Neumann	00:03.253
Mallet hitting a pint glass and breaking it with a smash with debris and multiple hits	00:04.058
Mallet hitting a pint glass and breaking it with a smash and debris and multiple pounds, Neumann	00:04.058
Mallet hitting a pint glass and breaking it with a smash and debris and multiple pounds	00:04.058
Mallet hitting a pint glass and breaking it with a smash and debris and multiple pounds, Neumann	00:04.058
Mallet hitting a pint glass and breaking it and smashing with debris, Neumann	00:02.442
Mallet hitting a pint glass and breaking it and smashing with debris	00:02.442
Glass pint breaking in the distance	00:03.109
Glass pint breaking, Neumann	00:03.109
Glass pint breaking	00:03.109
Glass pint fails to break and rocks in the distance	00:03.957
Glass pint fails to break and rocks, Neumann	00:03.957
Glass pint fails to break and rocks	00:03.957
Glass pint breaking huge and thick in the distance	00:03.523
Glass pint breaking huge and thick, Neumann	00:03.523
Glass pint breaking huge and thick	00:03.523
Glass pint partially breaking hollow and thick in the distance	00:02.523
Glass pint partially breaking hollow and thick, Neumann	00:02.523
Glass pint partially breaking hollow and thick	00:02.523
Glass pint breaking and smashes with pieces wobbling in the distance	00:02.282
Glass pint breaking and smashes with pieces wobbling, Neumann	00:02.282
Glass pint breaking and smashes with pieces wobbling	00:02.282
Glass pint drops on concrete and partially breaking, bounces and rolls in the distance	00:06.048
Glass pint drops on concrete and partially breaking, bounces and rolls, Neumann	00:06.048
Glass pint drops on concrete and partially breaking, bounces and rolls	00:06.048
Mallet hitting a pint glass with a thick pound three times on wood in the distance	00:05.482
Mallet hitting a pint glass with a thick pound three times on wood, Neumann	00:05.482
Mallet hitting a pint glass with a thick pound three times on wood	00:05.482
Glass pint breaking, processed	00:03.109
Glass pint fails to break and rocks, processed	00:01.437
Glass pint breaking huge and thick, processed	00:03.523
Glass pint breaking and smashes with pieces wobbling, processed	00:01.815
Plate glass hit by a crowbar and breaking in the distance	00:03.253
Plate glass hit by a crowbar and breaking, Neumann	00:03.253
Plate glass hit by a crowbar and breaking	00:03.253
Crowbar hitting plate glass and breaking, processed	00:03.253
Large plate glass dropping and breaking with a burst in the distance	00:02.810
Large plate glass dropping and breaking with a burst, Neumann	00:02.810
Large plate glass dropping and breaking with a burst	00:02.8
