

File Name	Description	Category	Time
Impact Material - Meteor Shower into Armour Sequence B.wav	Impact into metal and other materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:27
Mechanical Manipulation - Click Clacks I Slide Bright.wav	Operating buttons controls, tools, levers, lock / unlock mechanism, manipulate stuff. Material vibrations without acoustic pressure element.	Mechanical Manipulation	00:17
Breathing - Gas Mask 1 Calm.wav	Breathing thru a gas mask.	Breathing	00:45
Breathing - Gas Mask 2 Calm.wav	Breathing thru a gas mask.	Breathing	00:49
Breathing - Gas Mask 3 Alerted.wav	Breathing thru a gas mask.	Breathing	00:44
Breathing - Gas Mask 4 Intense.wav	Breathing through a gas mask.	Breathing	00:55
Breathing - Gas Mask White 1 Calm.wav	Breathing through a gas mask.	Breathing	00:45
Breathing - Gas Mask White 2 Calm.wav	Breathing through a gas mask.	Breathing	00:49
Breathing - Gas Mask White 3 Alerted.wav	Breathing through a gas mask.	Breathing	00:44
Breathing - Gas Mask White 4 Intense.wav	Breathing through a gas mask.	Breathing	00:55
Breathing - Helmet 1 Calm.wav	Breathing through a helmet.	Breathing	00:40
Breathing - Helmet 2 Alerted.wav	Breathing through a helmet.	Breathing	00:51
Breathing - Helmet 3 Intense.wav	Breathing through a helmet.	Breathing	00:19
Breathing - Inside Body 1 Calm.wav	Breathing perceived from inside the body perspective.	Breathing	02:07
Breathing - Inside Body 2 Alerted.wav	Breathing perceived from inside the body perspective.	Breathing	02:09
Breathing - Inside Body 3 Intense to Calm.wav	Breathing perceived from inside the body perspective.	Breathing	02:27
Breathing - Inside Body 4 Choke.wav	Breathing perceived from inside the body perspective.	Breathing	00:39
Breathing - Inside Body 5 Heartbeat Pulse Only.wav	Heartbeat perceived from inside the body perspective.	Breathing	00:35
Breathing - Scuba Gear - Abstract 1 Slow.wav	Breathing through a scuba gear. Without bubbles.	Breathing	00:38
Breathing - Scuba Gear - Abstract 2 Calm.wav	Breathing through a scuba gear. Without bubbles.	Breathing	00:53
Breathing - Scuba Gear - Abstract 3 Intense.wav	Breathing through a scuba gear. Without bubbles.	Breathing	00:24
Breathing - Scuba Gear - Big 1 Slow.wav	Breathing through a scuba gear. Without bubbles.	Breathing	00:38
Breathing - Scuba Gear - Big 2 Calm.wav	Breathing through a scuba gear. Without bubbles.	Breathing	00:53

Breathing - Scuba Gear - Big 3 Intense.wav	Breathing through a scuba gear. Without bubbles.	Breathing	00:24
Breathing - Scuba Gear - Source 1 Slow.wav	Breathing through a scuba gear. Without bubbles.	Breathing	00:38
Breathing - Scuba Gear - Source 2 Calm.wav	Breathing through a scuba gear. Without bubbles.	Breathing	00:53
Breathing - Scuba Gear - Source 3 Intense.wav	Breathing through a scuba gear. Without bubbles.	Breathing	00:24
Breathing - Scuba Gear - Tube 1 Slow.wav	Breathing through a scuba gear. Without bubbles.	Breathing	00:38
Breathing - Scuba Gear - Tube 2 Calm.wav	Breathing through a scuba gear. Without bubbles.	Breathing	00:53
Breathing - Scuba Gear - Tube 3 Intense.wav	Breathing through a scuba gear. Without bubbles.	Breathing	00:24
Breathing - Scuba Gear - Under 1 Slow.wav	Breathing through a scuba gear. Without bubbles.	Breathing	00:38
Breathing - Scuba Gear - Under 2 Calm.wav	Breathing through a scuba gear. Without bubbles.	Breathing	00:53
Breathing - Scuba Gear - Under 3 Intense.wav	Breathing through a scuba gear. Without bubbles.	Breathing	00:24
Breathing - Scuba Underwater A.wav	Breathing through a scuba gear. Authentic, underwater with bubbles.	Breathing	00:54
Breathing - Scuba Underwater B much Bubbles.wav	Breathing through a scuba gear. Authentic, underwater with bubbles.	Breathing	01:51
Breathing - Scuba Underwater C much Bubbles.wav	Breathing through a scuba gear. Authentic, underwater with bubbles.	Breathing	02:20
Breathing - Scuba Underwater D Short.wav	Breathing through a scuba gear. Authentic, underwater with bubbles.	Breathing	00:18
Breathing - Scuba Underwater E Deep.wav	Breathing through a scuba gear. Authentic, underwater with bubbles.	Breathing	00:54
Footsteps - Cloth A.wav	Body move - noise of cloth, or a suite.	Footsteps	00:19
Footsteps - Cloth B.wav	Body move - noise of cloth, or a suite.	Footsteps	00:45
Footsteps - Layer Dirt.wav	Footsteps, walking, boots. Perceived from inside the shoe / surface perspective.,	Footsteps	00:21
Footsteps - Layer Gravel.wav	Footsteps, walking, boots. Perceived from inside the shoe / surface perspective.,	Footsteps	00:21
Footsteps - Layer Hard A.wav	Footsteps, walking, boots. Perceived from inside the shoe / surface perspective.,	Footsteps	00:21
Footsteps - Layer Hard B.wav	Footsteps, walking, boots. Perceived from inside the shoe / surface perspective.,	Footsteps	00:21
Footsteps - Layer Metal.wav	Footsteps, walking, boots. Perceived from inside the shoe / surface perspective.,	Footsteps	00:21

Footsteps - Layer Rock A.wav	Footsteps, walking, boots. Perceived from inside the shoe / surface perspective.,	Footsteps	00:21
Footsteps - Layer Rock B.wav	Footsteps, walking, boots. Perceived from inside the shoe / surface perspective.,	Footsteps	00:21
Footsteps - Layer Space Suit Cloth.wav	Body move - noise of cloth, or a suite.	Footsteps	00:21
Footsteps - Underwater Dirt Hard.wav	Footsteps underwater.	Footsteps	00:36
Footsteps - Underwater Gravel Small.wav	Footsteps underwater.	Footsteps	00:42
Heartbeat - 1 Calm.wav	Heartbeat loop.	Breathing	00:11
Heartbeat - 2 Medium.wav	Heartbeat loop.	Breathing	00:09
Heartbeat - 3 Intense.wav	Heartbeat loop.	Breathing	00:06
Impact Heavy - Exalted A.wav	Impact large, designed, stylized, boom, blast, crash. Dark, eerie, vibrant, resonant. Atmospheric, metallic.	Impact Heavy	00:04
Impact Heavy - Exalted B.wav	Impact large, designed, stylized, boom, blast, crash. Dark, eerie, vibrant, resonant. Atmospheric, metallic.	Impact Heavy	00:07
Impact Heavy - Exalted C.wav	Impact large, designed, stylized, boom, blast, crash. Dark, eerie, vibrant, resonant. Atmospheric, metallic.	Impact Heavy	00:04
Impact Heavy - Exalted D.wav	Impact large, designed, stylized, boom, blast, crash. Dark, eerie, vibrant, resonant. Atmospheric, metallic.	Impact Heavy	00:04
Impact Heavy - Exalted E.wav	Impact large, designed, stylized, boom, blast, crash. Dark, eerie, vibrant, resonant. Atmospheric, metallic.	Impact Heavy	00:05
Impact Heavy - Exalted F.wav	Impact large, designed, stylized, boom, blast, crash. Dark, eerie, vibrant, resonant. Atmospheric, metallic.	Impact Heavy	00:05
Impact Heavy - Exalted G.wav	Impact large, designed, stylized, boom, blast, crash. Dark, eerie, vibrant, resonant. Atmospheric, metallic.	Impact Heavy	00:19

Impact Heavy - Exalted H.wav	Impact large, designed, stylized, boom, blast, crash. Dark, eerie, vibrant, resonant. Atmospheric, metallic.	Impact Heavy	00:10
Impact Heavy - Exalted I.wav	Impact large, designed, stylized, boom, blast, crash. Dark, eerie, vibrant, resonant. Atmospheric, metallic.	Impact Heavy	00:13
Impact Heavy - Exalted J.wav	Impact large, designed, stylized, boom, blast, crash. Dark, eerie, vibrant, resonant. Atmospheric, metallic.	Impact Heavy	00:17
Impact Heavy - Exalted K.wav	Impact large, designed, stylized, boom, blast, crash. Dark, eerie, vibrant, resonant. Atmospheric, metallic.	Impact Heavy	00:06
Impact Heavy - Exalted L.wav	Impact large, designed, stylized, boom, blast, crash. Dark, eerie, vibrant, resonant. Atmospheric, metallic.	Impact Heavy	00:07
Impact Heavy - Exalted M.wav	Impact large, designed, stylized, boom, blast, crash. Dark, eerie, vibrant, resonant. Atmospheric, metallic.	Impact Heavy	00:07
Impact Heavy - Explosion on Material.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:09
Impact Heavy - Explosion on Material Distant.wav	Impact large, designed, stylized, boom, blast, crash. Dark, eerie, vibrant, resonant. Atmospheric, metallic.	Impact Heavy	00:13
Impact Heavy - Hard Ship.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:12
Impact Heavy - Hit Armour Clean.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:09
Impact Heavy - Hit Armour Resonance.wav	Impact large into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:10

Impact Heavy - Hit Material Medium.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:06
Impact Heavy - Hit Metal A.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:04
Impact Heavy - Hit Metal B.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:06
Impact Heavy - Mothership Crash A.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:14
Impact Heavy - Mothership Crash B.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:15
Impact Heavy - Mothership Crash C.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:15
Impact Heavy - Mothership Crash D.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:15
Impact Heavy - Mothership Crash E.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:12
Impact Heavy - Mothership Crash F.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:15
Impact Heavy - Mothership Crash G.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:12
Impact Heavy - Mothership Crash H.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:15

Impact Heavy - Mothership Crash I.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:17
Impact Heavy - Mothership Crash J.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:15
Impact Heavy - Mothership Crash K.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:17
Impact Heavy - Mothership Crash L.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:11
Impact Heavy - Mothership Crash M.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:08
Impact Heavy - Mothership Crash N.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:21
Impact Heavy - Mothership Crash O.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:15
Impact Heavy - Mothership Crash P.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:16
Impact Heavy - Mothership Crash Q.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:14
Impact Heavy - Mothership Crash R.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:13
Impact Heavy - Mothership Crash S.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:11

Impact Heavy - Mothership Crash T.wav	Impact large, crash into metal and other materials. Perceived from the material resonance perspective. Deep, muffled, resonating.,	Impact Heavy	00:21
Impact Material - Devices A Deep.wav	Impact into metal and other materials. Perceived from the material resonance perspective. Deep, muffled.	Impact Material	00:03
Impact Material - Devices B.wav	Impact into metal and other materials. Perceived from the material resonance perspective. Deep, muffled.	Impact Material	00:04
Impact Material - Devices B Bright.wav	Impact into metal and other materials. Perceived from the material resonance perspective. Deep, muffled.	Impact Material	00:04
Impact Material - Metal A.wav	Impact into metal and other materials. Perceived from the material resonance perspective. Deep, muffled.	Impact Material	00:05
Impact Material - Metal A Deep.wav	Impact into metal and other materials. Perceived from the material resonance perspective. Deep, muffled.	Impact Material	00:05
Impact Material - Metal Medium A.wav	Impact into metal and other materials. Perceived from the material resonance perspective. Deep, muffled.	Impact Material	00:06
Impact Material - Metal Medium B.wav	Impact into metal and other materials. Perceived from the material resonance perspective. Deep, muffled.	Impact Material	00:03
Impact Material - Metal Medium C.wav	Impact into metal and other materials. Perceived from the material resonance perspective. Deep, muffled.	Impact Material	00:04
Impact Material - Metal Plate Tap A.wav	Impact into metal and other materials. Perceived from the material resonance perspective. Deep, muffled.	Impact Material	00:04
Impact Material - Metal Plate Tap A Bright.wav	Impact into metal and other materials. Perceived from the material resonance perspective. Deep, muffled.	Impact Material	00:04

Impact Material - Meteor Shower into Armour Sequence A.wav	Impact into metal and other materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:30
Impact Material - Meteor Shower into Armour Sequence C.wav	Impact into metal and other materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:43
Impact Material - Pipe System.wav	Impact into metal and other materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:03
Impact Material - Rock.wav	Impact into rock and other materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:05
Impact Material - Rock Deep.wav	Impact into rock and other materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:03
Impact Material - Simple A.wav	Impact into rock and other materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:04
Impact Material - Simple B.wav	Impact into rock and other materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:03
Impact Material - Simple C.wav	Impact into rock and other materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:06
Impact Material - Simple D.wav	Impact into rock and other materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:05
Impact Material - Simple E.wav	Impact into rock and other materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:09
Impact Material - Simple F.wav	Impact into rock and other materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:15

Impact Material - Simple G.wav	Impact into rock and other materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:09
Impact Material - Simple H.wav	Impact into rock and other materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:11
Impact Material - Simple I.wav	Impact into rock and other materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:06
Impact Material - Simple J.wav	Impact into rock and other materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:08
Impact Material - Simple K Deep.wav	Impact light into materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:07
Impact Material - Soft Solid A.wav	Impact light into materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:03
Impact Material - Soft Solid A Deep.wav	Impact light into materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:03
Impact Material - Soft Solid B Bright.wav	Impact light into materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:03
Impact Material - Tap Bag A.wav	Impact light into materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:03
Impact Material - Tap Bag A Deep.wav	Impact light into materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:03
Impact Material - Tap Bag B Bright.wav	Impact light into materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:03
Impact Material - Tap Bag B Deep.wav	Impact light into materials. Perceived from the material resonation perspective. Deep, muffled.	Impact Material	00:03
Impact Underwater - Kick Under Water A.wav	Large splash kick perceived from underwater.	Impact Underwater	00:05
Impact Underwater - Kick Under Water B.wav	Large splash kick perceived from underwater.	Impact Underwater	00:03
Impact Underwater - Kick Under Water C.wav	Large splash kick perceived from underwater.	Impact Underwater	00:07
Impact Underwater - Ship Nautilus.wav	Designed impact or explosion underwater. Deep ocean, sea, submarine.,	Impact Underwater	00:15

Impact Underwater - Smart Blast A.wav	Designed impact or explosion. Rumble, deep, scattered.,	Impact Underwater	00:33
Impact Underwater - Smart Blast B.wav	Designed impact or explosion. Rumble, deep, scattered.,	Impact Underwater	00:24
Impact Underwater - Smart Blast C.wav	Designed impact or explosion. Rumble, deep, scattered.,	Impact Underwater	00:35
Impact Underwater - Splash Over Water A.wav	Large splash over water.	Impact Underwater	00:06
Impact Underwater - Splash Over Water B.wav	Large splash over water.	Impact Underwater	00:07
Impact Underwater - Splash Over Water C.wav	Large splash over water.	Impact Underwater	00:04
Impact Underwater - Splash Over Water D.wav	Large splash over water.	Impact Underwater	00:06
Impact Underwater - Splash Over Water E.wav	Large splash over water.	Impact Underwater	00:06
Impact Underwater - Splash Over Water F.wav	Large splash over water.	Impact Underwater	00:06
Impact Underwater - Splash Over Water G.wav	Large splash over water.	Impact Underwater	00:06
Impact Underwater - Splash Under Water A.wav	Large splash perceived from underwater.	Impact Underwater	00:09
Impact Underwater - Splash Under Water B.wav	Large splash perceived from underwater.	Impact Underwater	00:10
Impact Underwater - Splash Under Water C.wav	Large splash perceived from underwater.	Impact Underwater	00:05
Impact Underwater - Splash Under Water D.wav	Large splash perceived from underwater.	Impact Underwater	00:07
