

Paramotor Powered Parachute

FileName	Format	Time	Description	Channels
01 Paramotor Field Mic Flyby variations.wav	48 24	2:25	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military flyby pass variations startup idling takeoff pass	1
02 Paramotor Field Mic Flyby variations.wav	48 24	0:52	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military flyby pass gradual slow	1
03 Paramotor Field Mic Flyby variations.wav	48 24	0:41	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military flyby pass variation gradual slow engine off landing touch down parachute impact	1
04 Paramotor Field Mic Flyby variations.wav	48 24	0:45	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military flyby pass idling takeoff closeup	1
05 Paramotor Field Mic Flyby variations.wav	48 24	0:28	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military flyby pass distant steady rpm	1
06 Paramotor Field Mic Flyby variations.wav	48 24	0:18	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military flyby pass variation	1
07 Paramotor Field Mic Flyby variations.wav	48 24	1:12	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military flyby pass variations	1
08 Paramotor Field Mic Flyby variations.wav	48 24	0:45	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military flyby pass slowing down engine shutdown landing parachute impact	1
09 Paramotor Field Mic Flyby variations.wav	48 24	0:53	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military flyby pass variations idling takeoff rpm variations	1
10 Paramotor Field Mic Flyby variations.wav	48 24	0:40	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military flyby pass variations very low rpm engine shutdown landing parachute impact	1
11 Paramotor Field Mic Flyby variations.wav	48 24	1:03	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military flyby pass variations idling revving idling takeoff flying away	1
12 Paramotor Field Mic Flyby variations.wav	48 24	2:04	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military flyby pass variations close up and distant passes	1
13 Paramotor Field Mic Flyby variations.wav	48 24	1:05	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military flyby pass variations	1
14 Paramotor Field Mic Flyby variations.wav	48 24	0:18	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military flyby pass variations distant drone steady RPM	1
15 Paramotor Field Mic Flyby variations.wav	48 24	0:20	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military flyby pass variations distant drone steady RPM	1
16 Paramotor Field Mic Flyby variations.wav	48 24	0:34	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military flyby pass variations distant	1
17 Paramotor Field Mic Flyby variations.wav	48 24	0:57	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military flyby pass variations distant	1
18 Paramotor Field Mic Flyby variations.wav	48 24	0:25	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military flyby pass variations approaching from the distance engine switching off landing parachute impact	1
19 Paramotor Field Mic Flyby variations.wav	48 24	0:25	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military flyby pass variations close	1
20 Paramotor Onboards 2 ch.wav	48 24	4:40	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military. Engine start testing revving indling variations takeoff flying altitude climbing landing	2
21 Paramotor Onboards 2 ch.wav	48 24	4:47	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military. Engine start revving indling variations takeoff flying altitude climbing landing	2
22 Paramotor Onboards 2 ch.wav	48 24	4:15	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military. Engine start revving indling variations takeoff flying altitude climbing landing	2
23 Paramotor Onboards 2 ch.wav	48 24	1:56	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military. Engine start revving indling variations takeoff flying altitude climbing landing	2
24 Paramotor Onboard 1 ch prop.wav	48 24	14:40	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military. Engine start multiple startup attempts revving indling variations takeoff flying landing	1
25 Paramotor Onboard 1 ch prop.wav	48 24	17:29	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military. Engine start revving indling variations takeoff flying landing	1
26 Paramotor TakeOff Field Mic.wav	48 24	0:41	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military. Engine idling takeoff flying away	1
27 Paramotor Field Mic Landing.wav	48 24	0:06	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military Sennheiser 8060 landing exterior touch down parachute impact engine switch off	1
28 Paramotor Field Mic Landing.wav	48 24	0:15	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military Sennheiser 8060 landing exterior touch down parachute impact engine switch off	1
29 Paramotor Field Mic Landing.wav	48 24	0:11	Paramotor / Powered Parachute ultralite aircraft with 78cc 2-stroke engine airplane, plane, aircraft, army, military Sennheiser 8060 landing exterior touch down parachute impact engine switch off	1
