

Filename	Description	Duration
GLASFrnc_Plant rubbing against window in wind storm_Nathan Moody_Aeolus.wav	Birds of Paradise plant rubbing against window during intense wind storm	03:49.831
METLlmpT_Soft strikers hitting piano wire in the wind_Nathan Moody_Aeolus.wav	Cardboard strikers hitting piano wire driven by the wind	04:46.242
DSGNEthr_Crisp hissing sustained wind in piano wires on steel resonator_Nathan Moody_Aeolus.wav	Crisp hissing sustained wind in piano wires on steel resonator time compressed from four hour	02:15.623
MAGElem_Ice magic whips stabs and surges_Nathan Moody_Aeolus.wav	DESIGNED Cold and icy magical spell-casting effects with long, chime-like warbling granular tails	01:38.000
DSGNSynth_DESIGNED Granular filtered energy surges and swashes_Nathan Moody_Aeolus.wav	DESIGNED Granular filtered energy surges and swashes	03:32.202
DSGNSynth_DESIGNED Granular filtered energy whips and stings_Nathan Moody_Aeolus.wav	DESIGNED Granular filtered energy whips and stings	01:17.284
DSGNSynth_DESIGNED Granular smooth zips zaps thwips and energy tones_Nathan Moody_Aeolus.wav	DESIGNED Granular smooth zips zaps thwips and energy tones	00:50.000
DSGNEthr_DESIGNED Metallic resonant spectral swells_Nathan Moody_Aeolus.wav	DESIGNED Metallic resonant spectral swells	01:49.220
DSGNRmbI_DESIGNED Midrange wind-driven rattling_Nathan Moody_Aeolus.wav	DESIGNED Midrange wind-driven rattling	03:34.351
MAGShim_Shimmering magical energy field_Nathan Moody_Aeolus.wav	DESIGNED Shimmering and ethereal sustained energy or magic effect with shifting resonances	01:43.047
DSGNEthr_Warbling spectral magic ambience_Nathan Moody_Aeolus.wav	DESIGNED Spectral and ghostly magical ambience made from wind recordings	03:37.081
DSGNSynth_DESIGNED Spectral metallic ambience with energy swells_Nathan Moody_Aeolus.wav	DESIGNED Spectral metallic ambience with energy swells	01:50.229
DSGNErie_Metallic cymbal like spectral tone_Nathan Moody_Aeolus.wav	DESIGNED Spectrally processed winds that sound liked bowed cymbals or gongs	01:36.878
DSGNErie_Chaotic bright breathy granular soundscape_Nathan Moody_Aeolus.wav	DESIGNED Spooky, bright, and breathy unnerving ambience with chaotic modulation	01:33.324
DSGNEthr_DESIGNED Warbling spectral magic ambience_Nathan Moody_Aeolus.wav	DESIGNED Warbling spectral magic ambience	03:37.081
DSGNEthr_DESIGNED Whistling synthy wind with reverb_Nathan Moody_Aeolus.wav	DESIGNED Whistling synthy wind with reverb	02:54.756
WINDInt_Garage door stresses during wind storm cracking stress_Nathan Moody_Aeolus.wav	Garage door stresses during wind storm cracking stress	04:11.997
WINDInt_Garage interior during intense sustained wind storm_Nathan Moody_Aeolus.wav	Garage interior during intense sustained wind storm	04:40.291
DSGNEthr_Gusty wind resonating piano wire_Nathan Moody_Aeolus.wav	Gusty wind resonating piano wire	04:24.268
WINDTonI_Gusty wind resonating single guitar string_Nathan Moody_Aeolus.wav	Gusty wind resonating single guitar string	03:38.056
METLMisc_Gusty wind through barbed wire clanging and low drone_Nathan Moody_Aeolus.wav	Gusty wind through barbed wire fence, clattering and clanging with low wind whistles	03:59.008
METLMisc_Gusty wind blowing through barbed wire with clattering_Nathan Moody_Aeolus.wav	Gusty wind through barbed wire fence, clattering and rattling	05:17.466
METLMisc_Wind through barbed wire clatter and rattle_Nathan Moody_Aeolus.wav	Gusty wind through barbed wire fence, clattering and rattling with low wind howls	04:29.709
METLTonI_Intense wind through barbed wire_Nathan Moody_Aeolus.wav	Gusty wind through barbed wire fence, dynamic, intense with low harmonic drones	04:01.932
METLMisc_Gusty wind whistling though rattling barbed wire fence_Nathan Moody_Aeolus.wav	Gusty wind through barbed wire fence, intense low end with clanks and rattles	02:13.756
WINDTonI_Low wind rumble through barbed wire_Nathan Moody_Aeolus.wav	Gusty wind through barbed wire fence, low rumble	04:16.332
WINDTonI_Gusty wind through steel fence_Nathan Moody_Aeolus.wav	Gusty wind through barbed wire fence, low-mid heavy buffets and howls with occassional creak	04:30.881
DSGNErie_Gusty winds rattling barbed wire fence_Nathan Moody_Aeolus.wav	Gusty wind through barbed wire fence, rattling sustained drones	04:56.271
METLMvmt_Gusty wind through barbed wire rattling drones_Nathan Moody_Aeolus.wav	Gusty wind through barbed wire fence, resonating, vibrating, and clattering	03:34.036
METLMvmt_Gusty winds through chain link fence_Nathan Moody_Aeolus.wav	Gusty wind through chain link fence, clattering and clanging	02:02.104
WINDTonI_Wind rattling and whistling through steel grate 01_Nathan Moody_Aeolus.wav	Intense winds through steel wire grating, with rattles and howls	03:57.592
WINDTonI_Wind rattling and whistling through steel grate 02_Nathan Moody_Aeolus.wav	Intense winds through steel wire grating, with rattles and howls	03:45.569
WINDTonI_Wind rattling and whistling through steel grate 03_Nathan Moody_Aeolus.wav	Intense winds through steel wire grating, with rattles, rumble, and clanks	03:37.586
WINDTonI_Low frequency wind resonance and clanks in piano wire_Nathan Moody_Aeolus.wav	Low frequency wind resonance in piano wire	03:00.581
WINDTonI_Low rumble of wind in piano wire_Nathan Moody_Aeolus.wav	Low frequency wind resonance in piano wire with occassional clanks	03:05.250
DSGNErie_Metallic bass wind resonance through piano wires_Nathan Moody_Aeolus.wav	Metallic bass wind resonance through piano wires	03:26.071
METLTonI_Winds creating low resonance in piano wire with steel resonator_Nathan Moody_Aeolus.wav	Piano wire and steel resonator in wind making resonances and soft clangs	04:15.584
DSGNErie_Wind and airplanes resonating in piano wires_Nathan Moody_Aeolus.wav	Piano wire and steel resonator picking up clangs, clanks, winds, howls, and screams	04:21.944
WINDTonI_Slowly building wind gusts against telephone pole_Nathan Moody_Aeolus.wav	Slowly building wind gusts against telephone pole with rumbles and rattles	04:06.000
WINDTonI_Sustained winds resonating piano wire on steel structure_Nathan Moody_Aeolus.wav	Sustained winds resonating piano wire on steel structure	04:56.672
METLMvmt_Wind in wires creating resonance and metallic chattering and rattling_Nathan Moody_Aeolus.wav	Wind in wires with resonance and metallic chattering and clanging	03:00.756
WINDTonI_Wind whistling and howling through cracked window 01_Nathan Moody_Aeolus.wav	Wind whistling and howling through cracked window	05:00.777
WINDTonI_Wind whistling and howling through cracked window 02_Nathan Moody_Aeolus.wav	Wind whistling and howling through cracked window	04:37.000
